Quran Quiz Program

***SABA Center is excited to conduct Quran Quiz program
On Saturday Aug 3rd 2012***

***This program is an effort to promote Quran reading and
understanding in our communities in a fun-filled manner.***

The program will be conducted using ARS:

ARS (Audience Response System) is a technology in which the participants enter their responses using remote controls thus keeping the scoring absolutely discreet. The quiz mainly focuses on the translation and tafseer of the Quran chapters. Names of winners will be announced only while the remaining results will remain unknown.
